

Chapter 14: Medicolegal Issues

The following is a list of professional and legal sources of information to support HCPs understanding of confidentiality, informed consent, privacy, documentation, negligence, liability, accountability and responsibility as it relates to health care services and Pap tests in Manitoba:

- The Personal Health Information Act
- The College of Physicians and Surgeons of Manitoba
- The Midwifery Act
- The Registered Nurses Act
- The Registered Nurses Extended Practice Act
- The Medical Act
- The College of Registered Nurses of Manitoba
- The Canadian Medical Association
